

SMOKE AND ELECTRONIC SMOKING PRODUCTS

Background

The District strives to promote and safeguard, through all reasonable means, the physical, emotional and mental health of District students and employees.

The District is committed to providing healthy smoke and electronic smoking products-free learning and working environments for all students and employees.

All District buildings, vehicles and grounds shall be smoke free for all students, staff and community members.

Procedures

1. There shall be no designated smoking areas for students, staff or members of the community.
2. The District supports the referral of students and staff members to appropriate smoking cessation resources.
3. Actions initiated under this Administrative Procedure are not to be punitive in nature but wherever possible are to be educational and designed to assist individuals.
