

## PLAN FOR ALTERNATIVE DELIVERY OF PHYSICAL AND HEALTH EDUCATION K-10

**Background**

The purpose of this plan is to ensure that all students in the district have access to physical and health education. This plan is designed to provide a framework for the delivery of physical and health education to students who are unable to attend school in person. This plan is based on the following principles:

- 1. All students have the right to a quality education.
- 2. All students have the right to a safe and healthy learning environment.
- 3. All students have the right to be treated with respect and dignity.
- 4. All students have the right to be included in all school activities.
- 5. All students have the right to be protected from discrimination.
- 6. All students have the right to be protected from harassment.
- 7. All students have the right to be protected from bullying.
- 8. All students have the right to be protected from sexual harassment and sexual assault.
- 9. All students have the right to be protected from child abuse and neglect.
- 10. All students have the right to be protected from human trafficking.
