

## PESTICIDE APPLICATIONS

### BACKGROUND

The protection and enhancement of our environment is necessary to maintain the quality of life.

### PROCEDURES

1. Pesticides must be approved by Health Canada and be Government-approved.  
Pesticides are to be applied by a certified applicator.
2. Only a minimum of pesticides consistent with the problem are to be used.
3. Types of pesticides are to be kept to a minimum and monthly usage is to be reported to the Health Canada. at  
times where it is warranted for the safety of the applicator.
6. The Principal will be advised 24 hours in advance of the intended application pesticides.
